Your neighbourhood information sheet is produced by Axminster Care Service, a self-help group that is administered by volunteers. The aim of the ACS is to cover gaps left by the Health and Social Services and provides a comprehensive transport service, grants for school children, and families in need of financial support.

Should you wish to use the ACS, the office is at our Charity Shop in South Street. A volunteer is available Monday to Friday from 9.30am to 10.30am to receive telephone calls. Outside of these times telephone messages may be left on our answerphone on 01297 35550. Requests for funding should be addressed to the Secretary.

Our Trustees: Chairman, Dr J Vann; Vice Chairman, Mr M Symes; Secretary, Mrs J Symes; Treasurer, Mrs A Hayward; Transport Representative, Mr M Laws; Social Services Representative.

Our Committee Members: Shop Maintenance Representative, Mr P Hayward; Shop Manager, Mrs A Walker.

## Join us!

Volunteers are the backbone of our charity, enabling us to continue in supporting those in our community who are most in need. There are many ways you can join as a volunteer: Volunteer Driver, Volunteer Telephonist, Volunteer Shop Assistant, Volunteer Administrative Support.

### **Donate**

As a registered charity, Axminster Care Service relies very much on your generous donations to keep us growing, and expanding on both our services, and those we are able to help. If you would like to make a donation, you can do so by calling into our Charity Shop in South Street in person; by visiting the Charities Aid Foundation (CAF) online. Click on the 'Donate to a Charity' button, enter Axminster Care Service in the search bar, and select our charity at the top of the listing and make your donation by card.
